

## SAINT TROPEZ

The SAINT TROPEZ collection never fails to astound, as proved by this new stool variant which can be customised to match the finishing on the chairs.

Some things just get better and better as time goes by. This stool has a metal frame and polycarbonate seat shell available in an array of different colours. In addition, it features a 360° swivel function with a gas-lift mechanism and perfectly bridges the gap between elegance and practicality.

**Total Height:** 118 cm

**Width:** 57 cm

**Depth:** 49 cm

**Seat height:** 64 (81) cm

**Seat:** CLEAR PLASTICS (PC) / TRANSPARENT CHOCOLATE
